

We believe every family caring for their loved one with dementia deserves hope and relief as they go through what may be the hardest time in their life.

In loving memory of Mama Hall. Nurse, mother and forever keystone to our family. You cared for us, we cared for you, and now it's time to care for others.

FOR THEIR THOUGHTS FOUNDATION

Care for the Caregivers Relief Program

FTTF advocates for the dementia community in order to bring hope and relief to families impacted.

Why

Dementia impacts the entire family. Often it is the family who take on the caregiving responsibilities. They do it without hesitation or a second thought. "It's just what you do." the families say. But to care for your other half or parent as he or she declines also brings emotional, physical and financial stress. It is 24/7 and can be lonely.

Impact

For Their Thoughts Foundation (FTTF) exists to help these families find financial and emotional relief through our one-time Care for the Caregivers (CFTC) relief grant.

How It Works

Eligibility

- ✓ Live-In and unpaid care-partner or caregiver to a family member or close friend with dementia.
- ✓ Have a financial need directly related to your caregiving role.
- ✓ Open to share your experience as a caregiver to your LOWD to help others.

Relief Package

CFTC Relief Grant is a ONE TIME grant to bring hope and relief. The grant includes:

1. A care package with resource information
2. A gift card to professional support
3. A small cash grant to provide caregiving relief

Share your Story

Help us help others in the same situation. Stories of caregiving are stories of love.

- What is a favorite memory with your loved one?
- How does it feel and what does it mean to you to be a caregiver?

FTTF would like to contact the grant recipient to understand and capture his/her story.
